Dear Janet:

Enclosed please find the above-mentioned items. These will replace items found in the *Final Focused Remedial Investigation Report, dated September 2008* binder, as follows:

- Revised Report Text – Please remove the entire report text and replace with the revised text, which includes a revised internal cover sheet and certification page.
- Revised Tables – Please remove all Tables from the binder's Table's section and replace with the enclosed revised Tables.
- Revised Figures – Please remove existing Figures from the binder's Figure's section and replace with the enclosed revised Figures.
- Revised Appendix C – Please replace the existing slip sheet and laboratory report with the enclosed slip sheet and modified laboratory report.
- Revised Appendix J.1 – J.5 – Please remove Appendix H.1 – H.5 tab dividers and slip sheets only from the binder and replace with the enclosed J.1 – J.5 tab dividers and corresponding slip sheets. Data from former Appendix H has not been modified.
- Revised Appendix H – Please insert the enclosed tab divider, slip sheet, and MSDS sheets after Appendix G.3 in the binder.
- Revised Appendix I.1 – I.3 – Please insert the provided tab dividers, slip sheets, and data after Appendix H in the binder.

If you have any questions please do not hesitate to contact me at 480-348-1244.
